COL. ROOSEVELT TO SPEAK IN MAYSVILLE NEXT WEDNESDAY

Col. Roosevelt, Governor Morrow, Hon. R. P. Ernst and Mrs. Christine Bradley South to Speak Here Next Wednesday Afternoon.

Col. Theodore Roosevelt is to make a campaign in the interest of the Republican party through the state of Kentucky next week and he will be accompanied by Governor Morrow, Mrs. Christine Bradley South and Hon. Richard P. Ernst, candidate for Senator.

Col. Roosevelt and his wife will arrive in Louisville on Sunday and will start his campaign through the Western section of the state Monday morning. On Wednesday the special train carrying the party will leave Ashland for Covington where on Wednesday evening at 7:30 o'clock there will be a great rally. The special train is scheduled to reach Maysville at 3:40 p. m. Wednesday afternoon and it will lay here for one hour leaving promptly at 4:40 o'clock. All four of the speakers are expected to make short addresses while here and arrangements will be made by local Republicans to extend the very distinguished visitors a very hearty welcome to Maysville.

Complete arrangements will be made at once and full announcement will be made to the public. With such distinguished speakers there should be a record breaking crowd in Maysville on next Wednesday afternoon.

Some ten or twelve speaking dates have been arranged in Kentucky for Colonel Roosevelt during his few days in our state. Following the Covington meeting on Wednesday night, Colonel Roosevelt and his wife will leave for Pittsburgh.

While much interest is taken in the announcement that both "young Teddy" and Governor Morrow will speak here, the greater interest is shown in the coming of Mrs. Christine Bradley South, head of the Republican women of Kentucky, and Hon. Richard P. Ernst, the Republican candidate for Senator. Mr. Ernst is unusually popular throughout this section and will poll a large vote here.

NOTICE TO THE PUBLIC.

This is to notify the public that I will not be responsible for any debts contracted by my son, George. It will also notify the public that he has no authority to collect accounts due me. GEORGE MITCHELL, Sr.

COMMITTEE TAKES PHONE RAISE UNDER ADVISEMENT

Council Committee Will Probably Recommend Refusal of Telephone Company's Request.

Officials of the Maysville Telephone company met with members of the Proposition and Grievance committee of City Council Wednesday to take up in detail their recent request to Council that they be permitted to increase the telephone rentals in Maysville 25 cents per month for each subscriber.

The officials admitted that the telephone company had made money at the present rates for the past three years but claimed that this same request had been made in other cities and had been granted.

While no action on the matter was taken by the committee at Wednesday's meeting, the personal opinion of individual members of the committee as expressed since the meeting of the committee seems to indicate that the recommendation to Council will be adverse to the company's request. Another meeting of the committee will be held prior to the meeting of Council on next Monday evening when their recommendations will be drawn.

TOMATOES WILL BE MUCH CHEAPER.

The M. C. Russell Company, local wholesale grocers, is now taking future orders for El Ray canned tomatoes, that famous large can California tomato. The price this year is \$1.37½ per dozen which is almost 80 per cent. cheaper than they were last year. This is the first indication of a general reduction in the price of canned food stuffs for this winter.

STAY OF JUDGMENT IS SOUGHT.

A motion for a stay of judgment in the case against Jesse Utterback who was given a sentence of two years in the penitentiary, has been filed in the Mason Circuit Court. This procedure would indicate that an appeal on the case is to be taken. Utterback is one of the negroes arrested on charges of pocketpicking at the Germantown fair.

SUNDAY SCHOOL MEET PROVES A BIG SUCCESS LAST NIGHT

Many Members of Adult Bible Classes Attend Rally Held Wednesday Evening at the Presbyterian Church.

The big "booster adult Bible class" meeting held at the First Presbyterian church last evening was about the most successful affair ever "put over" by the Mason County Sunday School Association. The spacious Sunday school room of this church was crowded to its capacity there being over three hundred present. When you consider that every one present was either a member of an adult Bible class or an officer or teacher you can realize in a measure the great interest being taken in this department of the work at present.

It was just one fine big, sociable crowd. Everybody had a good time. Denominational differences were not thought of only in the count of the different churches. Ben Greenlee, county president, presided. After the singing of a couple of good old hymns in which it seemed that everyone present joined with the greatest enthusiasm our beloved Brother Dickey led us to the "throne of grace" in prayer. The Scripture selection was read by Rev. J. A. Davis. A male quartet composed of Geo. W. Royle, R. H. Huff, W. A. Munzing and J. H. Richardson rendered several appropriate selections. Reports from all classes present were then made. Several of the reports were given in such an entertaining and spicy manner that it put the large crowd in the finest of humor.

The big speech of the evening was made by Carl S. Kirk. If the crowd had lacked any in enthusiasm such lack would have been driven to the winds when Kirk got "het up." The Sunday schools of Maysville may congratulate themselves that they have at the head of the Adult department of the county association a man of Mr. Kirk's ability and enthusiasm. He answered the question propounded by his subject "Why and How Can the Adult Classes Co-Operate With the City, County and State Sunday School Association." He pleaded for loyalty to the church on the part of the Bible Classes, for the keeping by the parents of their children in the church, and to the religion of our mothers. In closing his address he pleaded for the reports of the county committee in its work. He made appeal for funds to carry the work on more successfully. That his plea was not in vain was evidenced by a subscription of over \$133 to the work.

A fine lunch was then served by the ladies of the First Presbyterian church and ladies of all other churches having contributed generously sandwiches for the lunch. During the lunch the quartet entertained with another selection also a duet by Messrs. Royle and Huff. The attendance was as follows: First M. E. South, women, 28; men, 3 Third Street M. E. Brotherhood, 17; Epworth, 42. First Presbyterian, Judge Cochran class, 13; Eleanor D. Wood class, 27. First Baptist, Baracas, 15; Philathea 11; Berry class, 15. Christian, Loyal men, 10; Loyal women, 48.

"Little Brick" M. E. South, Wesley Brotherhood, 11; Ladies class, 12; Mrs. Trisler class, 9. Hilldale Hustlers, 27. Lewisburg Baptist ladies, 5.

There were many officers and teachers and visitors not included in the above count. The county association expresses its heartfelt gratitude to every one who contributed in any way to the success of the evening. They feel that with the enthusiasm generated by this initial meeting and with the liberal subscription made to the work, that they can go ahead and plan bigger and better things for the work. It is the purpose of the committee to have a number of such meetings during the next few months. And future meetings will not have the subscription feature to them for with the Go-To-Sunday-School Day collection the county will be able to take care of the state association's apportionment and other incidental expenses.

BOARD OF EDUCATION WILL MEET TONIGHT.

The regular monthly meeting of the Maysville Board of Education will be held this evening at the High School building and as this is the first meeting of the new school year there will be much important business before the body.

ALL FOR HARDING.

Comrade Alonzo Seaman, who is here to attend the old soldiers' reunion reports a straw vote which was taken on a coach in which he was a passenger en route from Indianapolis to Cincinnati Tuesday. Forty-five were for Harding, one for Cox and three women were undecided.

MANY SPECIAL PRIZES GIVEN FOR TOBACCO FAIR

Committee Meets With Much Success In Its Canvass of Merchants For Special Premiums.

Besides the increased cash premium list which has been assured by the success of the promotion fund for the 1920 Corn and Tobacco Fair, there will be many special premiums which are being donated by local merchants and professional men.

A special committee has today been canvassing local merchants and professional men for small contributions and premiums from their stocks. The committee reports much success and announces that many beautiful and useful extra premiums will be assigned by the Executive committee to the various departments of the fair and will be announced in the official program for the week which is now being compiled by Mr. Chas. E. Dietrich, of the Advertising committee.

Interest in the big fair among the merchants grows each day and the Chamber of Commerce is now each day answering scores of questions about the big show. Details will be announced through the press as soon as the various committees reach conclusions on the one hundred and one things before them.

ADVERTISING COMMITTEE OF FAIR MEETS.

The Advertising committee of the Maysville Corn and Tobacco Fair held their first meeting Wednesday evening at the Chamber of Commerce and plans were laid for a thorough advertising campaign for the big meeting. Automobile banners and large placards will be printed and distributed at once. The advertising campaign will include advertisements in every newspaper in Northeastern Kentucky and Southern Ohio.

METHODIST PRAYER MEETING.

Rev. W. S. Peters has returned from Conference and will conduct prayer meeting service this evening at the Third Street M. E. church beginning at 7 o'clock. He would be glad to see a large attendance of members and friends. The choir will meet for practice at close of prayer meeting.

BAPTIST PRAYER MEETING.

Regular mid-week prayer service will be held at the First Baptist church this evening at 7 o'clock. The pastor, Rev. J. A. Davis, will be in charge and will continue the study of the book of Acts which is proving quite interesting.

OLD HAM FURNISHED TO WAR VETERANS.

The veterans who attended the 32nd annual reunion at Beechwood park Wednesday were treated to fine old ham sandwiches by Col. L. G. Maltby of the county. Many others also donated good eats.

FIRST DISTRICT P-T-A.

Will have their first regular meeting Friday afternoon at 3 o'clock. It is to be a Home-Coming for all the old members, and all new patrons in this district are especially invited to meet with them. Important business to be transacted and all are urged to be present.

REHEARSAL OF PAGEANT.

The first rehearsal of the pageant "The Coming of the Truth" for Rally Day will be held at Third Street M. E. church Friday at 7 p. m. All parts will be on hand promptly at the hour.

Mrs. Clift will have a millinery opening at the Maysville Suit and Dry Goods Co., Saturday, October 2. 30-2t

LOCAL POPULATION SHOWS DECREASE OF 34 IN PAST 10 YEARS

Small Families Assigned As Cause By Census Takers—General Disappointment Registered By Officials of the City.

Maysville's 1920 population is 6,017. These figures were announced by the Government Census Bureau in Washington Wednesday evening. Maysville was practically the last city within the first four classes in the state to be announced and as yet the entire census of Mason county has not been made known although announcement comes from Washington that the population of Kentucky announced today is 2,416,013, an increase of 126,108 in ten years.

Maysville's official population in 1910 was 6,141 showing that we have lost thirty-four residents in the ten years or a decrease of .6 per cent. While this loss is very small compared with the loss of a number of other Kentucky cities in our class, it is terribly disappointing to all our citizens and especially to our city officials who are inclined to believe that Maysville had many more residents than the number thus announced.

Prof. W. J. Caplinger, who was director of the census for Maysville, in discussing the result of the census, said that small families were very noticeable all over Maysville. This is probably one reason for the small showing in spite of the fact that many new houses have been built in the city and many families have moved into our city because of the boom in the tobacco business. While the average family throughout the United States was reckoned by the Census Bureau during the past ten years at five, it is pointed out that there will probably be a considerable reduction in that figure when the census is entirely completed. In the city of Maysville, at least, that figure is entirely too high, according to the enumerators.

Greater Maysville, including all of the suburbs which are separated from the city proper only by an imaginary line, would probably have a population of considerably over 8,000 souls.

The women and men who took the Maysville census were very careful and there is every reason to believe that so far as Maysville is concerned the figures are absolutely correct.

FROST FOR TONIGHT THE WEATHER MAN PREDICTS

District Weather Forecaster Predicts The First Frost of the Year Tonight.

Better cover up plants Thursday night if they are outdoors or they may be frost nipped, according to W. C. Devereaux, District weather forecaster.

Devereaux predicts the first frost of the season Thursday night. The weather will be partly cloudy and continued cool Thursday night, he says, with lowest temperature at about 38 or 40 degrees. Friday is expected to be fair and cool.

Not all plants will be nipped by frost, he said, as it probably will occur only in exposed places.

This will not be unseasonable weather, however, Devereaux explained.

There probably would have been frost in some places in the country Wednesday night if it had not been cloudy, he said.

First killing frosts of the season have occurred in Nebraska, northern Kansas and western Iowa, weather reports show.

MARKET IS CUT IN HALF.

The Augusta Chronicle Says: Edward Robertson, who went to Warsaw, N. C., ten days ago to buy tobacco on the market, is not very much enthused over the tobacco outlook. He says that the market average \$22 at the opening, but is now \$11. That there are no speculators buying tobacco, and that the same conditions prevail on other North Carolina markets.

CHILD DIES.

VOTING PLACES FIXED BY SHERIFF IN NEW PRECINCTS

Maysville Will Have Ten Voting Precincts this Year—Everyone Must Register on Tuesday If They Vote in November.

After considerable trouble Sheriff Charles Galbreath has finally found voting places in the new precincts in Maysville. It was necessary that these voting places be fixed this week so that they could be used on next Tuesday for the regular annual registration.

The registration and election will be held in the following places:

First Ward—Cable's coal office. Second Ward—Sheriff's office. Second A.—County jail office. Third Ward—Russell warehouse. Fourth Ward—Coal office in Plum street.

Fourth A.—Modern Laundry's cleaning plant.

Fifth Ward—Squire Dresel's office. Fifth A.—Henry Dryden's store.

Sixth Ward—Old Hunsicker coal office.

Sixth A.—Dryden's coal office.

Every voter both male and female should bear in mind that they are absolutely required to register on next Tuesday if they expect to vote for President, Senator and Congressman in November. This is absolutely necessary. The special registration which is held before the election is only for those who are ill, absent from the city or who have become of age between the regular registration day and the election.

UNCLE TED'S BED-TIME STORIES

It Was a Cold Wind in Maine For The Democrats.

"It sure was a cold wind that blew through Maine on Monday, September 13th, so far as the Democrats are concerned." It was Uncle Ted speaking. He had just put down his evening paper and was talking to his brother—the father of Jack and Ruth.

"What do you mean?" asked Jack, who never loses an opportunity to start his Uncle Ted telling a story.

"Simply that the 13th day of September was surely an unlucky day for the Democrats and still more unlucky for the world club," replied his Uncle. "You see on that date the voters of Maine, both men and women, went to the polls to elect their state officers and Representatives in Washington. The result was that the Republicans swept through the state like a forest fire, electing the Governor by the largest plurality ever given a candidate for governor in that state. More than that, they elect Congressmen from all four of their districts and put Republicans in every county as attorneys and sheriffs."

"What's that go to do with the world club plan?" asked Ruth.

"Simply this, Ruth—that the main issue of the campaign in Maine was the same issue that will determine the election of Warren G. Harding as President in November, the league of nations, or the world club, as we know it. It was a question of whether the people of Maine would place in power those men who represent a party which would attempt to entangle the United States in European politics and give the countries of Europe the right to dictate the affairs of this country. Senator Harding in a short statement after the Maine election told the whole story when he said 'The result in Maine is reassurance that the American people mean to return to representative government under the Constitution through the agency of the Republican party—'

"One of the most interesting things in the election is the effect of the women voting. Both Governor Cox and Mr. Roosevelt have had a great deal to say about how the women would vote for the world club because they don't want war. Governor Cox is clever in some things but he hasn't been clever enough to see that he cannot fool the women of this country with such fairy stories. The women of America know that the world club MEANS WAR and they want no more of it. If anybody had even suggested, ten years ago, or even five years ago, that the United States should simply throw away the independence won by the blood of the fathers in the Revolution just so that we could join a club in which the control rested in Europe, the American people would have had that person looked up in an insane asylum. It is true that lots of Americans have been misled by the statements made by those who want this world club. Many people had thought that the independence of America should come second, since it was our duty to 'help serve humanity.' But when the voters, the men and women, went to the polls in Maine where they had their first real opportunity to show their opinion of the league, they voted it down just as hard as they possibly could."

"When Franklin D. Roosevelt, Democratic candidate for Vice President, completed a speaking tour in Maine he said that he was convinced the women were for the world club and because of that fact they would support the Democratic candidates. Well, Mr. Roosevelt is a nice man but he is young in politics and has a lot to learn, for the women played a large part in winning that election for the Republicans. About 90,000 women registered in Maine and about one woman voted for every two men and they DID NOT vote for the world club.

"But Maine isn't th only place where the people have shown that they will have nothing to do with the world club or with anyone who favors it. When the primary election was held in the state of Georgia, Woodrow Wilson's administration and all it stands for was turned down flat. They nominated for the United States a man who is absolutely against the world club and who made his fight for the nomination on that platform. Some time before the election in Maine, Senator Moses of New Hampshire made the race in that state for renomination on the Republican ticket. Before the nomination the Democrats were loud in their claim that they would break into New Hampshire this year on the world club issue. Senator Moses has been one of the bitterest fighters against the world club and yet he won the nomination with a smashing victory.

"It looks as if the Democrats haven't much show, doesn't it?" commented Jack.

"Jack, not only that, but all these victories against the world club give us some understanding as to why Gov. Cox tried so hard to get the minds of the people off the subject by trying to make an issue of the money the Republicans were supposed to be spending. But he failed to produce the proof and now he is in the position of being forced to take up the battles of Woodrow Wilson for the world club. The people have had enough of this silly talk of preventing war by a club that means war and more war. They won't have it and they intend, both the men and the women, to prove it in November by electing Warren G. Harding by the largest vote ever cast for a president of the United States."

ERNST IS MAKING STRONG APPEAL TO KY. CITIZENS

Senatorial Nominee Makes Headway Over State—New Speaking Dates Announced

(Special Dispatch)
Louisville, Sept. 25.—Richard P. Ernst, the Republican nominee for United States Senator, has taken his appeal to the people of Kentucky.

More than a week of intensive campaigning over the state has shown him to be a truly popular candidate.

Mr. Ernst opened his campaign at Danville two weeks ago with a speech which revealed his strong grasp upon the issues of the day. His discussion of the League of Nations, covering the unending "bad points" in that document, was met with much approving applause.

The senatorial nominee has the following speaking engagements up to the present time:

Williamsburg and Corbin, September 25; Madisonville, September 27; Marion, October 1; Princeton, October 1; Kuttawa, October 2; Paducah, October 2; Hardinsburg, October 4.

AN INDICTMENT OF THE DEMOCRATIC ADMINISTRATION

When the Republican party makes charges, it backs them up with facts. It does not indulge in wildly-stated generalities which mean nothing to the citizen who is seeking enlightenment upon the vital issues of the day.

The comfortable results of correct living generally shine right out in the faces of people who drink

POSTUM

A delightfully flavored beverage—healthful and All-American
Sold by grocers.

When the Republican party charges the present Democratic administration with gross waste and extravagance throughout the seven years it has been in office, especially in the conduct of the war, it stands ready to offer its proof.

It has just been reported by the Treasury Department that, from April 6, 1917, to February 29, 1920, it paid out on warrants of the various executive departments the sum of thirty-six billion, nine hundred and eighteen million dollars.

Waste is Great.
Reports of official investigating committees show that, of the \$18,000,000,000 spent by the War Department alone, practically \$9,000,000,000 has been wasted, or spent on projects that were foolish, are wholly useless now, and were totally ineffective in prosecuting the war.

There was spent at Charleston, Norfolk, Boston and other places \$150,000,000 for port terminals from which no ship ever sailed during the war.

A port terminal was begun in a bog and swamp ten miles up the river from Charleston and after \$20,000,000 had been spent in construction it was found that ships could not reach the terminal until the river had been dredged for the purpose.

For nitrate plants, \$120,000,000 was spent in a visionary scheme and not a pound of nitrate was produced. Practically \$100,000,000 of this sum was sunk at Muscle Shoals, Ala., and the War Department now asks additional millions to turn the abortive nitrate plants into fertilizer producers.

For powder plants, \$160,000,000 was spent and not a pound was made in them. The one at Nitro, W. Va., cost \$70,000,000 and was sold recently for \$8,000,000, with the prospect that the government will never get very much of the \$8,000,000.

Waste in Shells.
There was \$1,000,000,000 spent for shells and only 17,000 American shells were fired by the American forces in the war. We fired very often as many as 500,000 in a single barrage, on a single morning; we had to buy or beg them from our allies.

We spent \$1,051,000,000 preparing to manufacture aeroplanes; we did not produce one fighting machine. We did make a purely bombing plane—a few of them. All we made and sent to the front were 213 observation planes, and they were dangerous and defective.

For tanks, we spent \$100,000,000. The first American tank did not reach France until after the armistice had been signed and the war was over.

The sum of \$117,000,000 was expended for the manufacture of gas. There never was any gas fired on the battle front in American shells.

Guns cost us (to make in this country) \$478,000,000. We only succeeded in getting 48 of the 4.5-inch guns and 24 of the 8-inch howitzers—a total of 72 American guns—to where our boys could use them.

ALL VOTERS MUST REGISTER ON TUESDAY

Voting Places in City Will Be Selected at Once—City Voters Are Compelled to Register.

The voting places for the November election will be announced by the sheriff within the next few days or as soon as he can procure voting places in the four new precincts which have been made in Maysville and the regular registration which will be held on Tuesday, October 5th, will be held at these designated places.

Voters should remember that it is absolutely necessary for them to register on next Tuesday if they expect to vote for president in the November election. This applies to women as well as men. The new women voters must be certain to register Tuesday if they expect to cast a ballot for president in November.

It is understood that in Maysville, at least, there is considerable interest among the women voters and quite a number of women are expected to take part in the presidential election.

Poison gas has had the effect of making the battlefields of France especially fertile.

COFFEE!

BELLE OF MAYSVILLE

It is like the dew of Hebron; it has the sweetness of Nectar, the sparkle of champagne, the aroma of a thousand flowers.

For a cup of it Nero would have burned a thousand Romes, Caesar remitted the taxes of all the Jews and Napoleon turned peacemaker.

The only difference in this wonderful Coffee and the goods we sold years ago, it hasn't the kick.

Prices are right. A trial order will convince and will be appreciated.

MASTER COMMISSIONER'S SALE

MASON CIRCUIT COURT.

Ida McKinzie's Adm., et al., Plaintiffs.

vs.

G. M. McKinzie et al., ... Defendants

JUDGMENT AND ORDER OF SALE.

In obedience to a Judgment and Order of Sale in the above-styled action, I will, as Master Commissioner, on

SATURDAY, OCTOBER 2ND, 1920,

At or about the hour of 11 o'clock a. m., proceed, at the court house door, in

Maysville, Ky., to sell, at public outcry, and to the highest and best bidder, the hereinafter-described real estate, in

order to satisfy the judgment debt of the Farmers and Traders Bank, of

Maysville, Ky., amounting to \$150 together with interest thereon, at the

rate of six per cent. per annum, from March 18th, 1918, until paid. Said real estate is described as follows:

That certain lot or parcel of ground, lying and being on the north side of the

Sardis and Mt. Olivet turnpike road, 1 mile town of Sardis, Mason

county, Kentucky, and beginning in the center of the old road corner to

William Dodson, now Parker thence, S. 67 W., 6 poles, to a point in the center

of the pike thence, S. 73 W., 46 feet, more or less, to the corner of Julian

Mullikin's lot thence, N. 21 W., 9 rods, 13 links to a point in the hollow;

thence N. 43 E., 56 1/2 feet, to Dodson, now Parker's line, thence, with Parker's

line, S. 48 E., 10.56 poles, to the beginning; being the same property

conveyed to Ida McKinzie, by deeds recorded in D. B. 93, page 230, D. B.

112, page 234, and D. B. 117, page 317 records of the clerk of the Mason

County Court.

TERMS OF SALE: — Said real estate will be sold on a credit of six (6) months. The purchaser will be required

to execute a Sale Bond for the purchase price, with approved personal

security, payable to me as Master Commissioner, and bearing interest

thereon at the rate of 6% per annum from the day of sale. Said Sale Bond

will have the force and effect of a Replevin Bond, with a lien retained

therein upon the property sold, as additional security for the payment of the

purchase price. The purchaser shall assume and pay all taxes accruing

after January 1st, 1921. Absolute possession of the property will be given on March 1st, 1921.

A. G. SULSER, Master Commissioner.

JAMES M. COLLINS, Attorney.

THE PROPER COURSE

Information of Priceless Value to Every Maysville Citizen.

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge.

What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a Maysville citizen who used them and who publicly tells of the benefit derived?

Ben P. Fleming, constable of Mason Co., 217 E. Lee St., Maysville, says: "I have used Doan's Kidney Pills off and on for several years, getting them at Wood & Son's Drug Store, and they have been of great benefit. At times my kidneys have been out of order and I have suffered from a dull, constant ache through the small of my back. The kidney secretions have been irregular in passage, too. A box or so of Doan's Kidney Pills has never failed to relieve me of the complaint in a short time."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fleming had. Foster-Milburn Co., Mfrs., N. Y.

GOVERNOR ORDERS PROBE INTO DYNAMITING

Hotel Bombing at Garret Is Denounced By the Head of Miner's Union Asking Probe.

Frankfort, Ky., Sept. 30.—Governor Morrow Wednesday called on civil authorities in Floyd county to make a thorough investigation of the dynamiting of the hotel at Garrett, Ky., Monday morning, when two union organizers were seriously injured.

The request was made by the Governor following receipt of telegrams from John L. Lewis, president of the United Mine Workers of America, and Samuel Pascoe, Ashland, president of District No. 30.

President Lewis' telegram declared the dynamiting "is a sad commentary upon conditions existing in the non-union coal fields of the great Commonwealth of Kentucky."

Governor Morrow wired immediately President Lewis that he intended "to do all in my power to find the guilty and welcome all assistance you and your organization can render."

In his telegram to the Floyd county authorities, Governor Morrow brands the dynamiting as "a most dastardly and inexcusable attempt upon the life of human beings."

Frank Davis and P. J. Cuvelier, injured union organizers, are in an Ashland hospital.

MONDAY'S GIRL SHOW WILL ATTRACT MANY

Musical Comedy Show at the Washington Monday Night Built Around World Famous Cartoons.

Entertainment for every member of the family will be found in the newest song, dance, fun and girl show, "Katzenjammer Kids," made from the famous comic supplement cartoons and magnificently produced by George M. Gatts, which will be the attraction at the Washington Theater for Monday night.

There is a big fascinating parade of beautiful girls gowned in up-to-the-minute creations that will surely please mother and daughter; there are Hans and Fritz, the Monster bear, the playful dog and the ferocious tiger that will sure surprise and delight the kiddies.

The beautiful scenic pictures, the jingly musical numbers, the fantastic dances will appeal to the entire family, which makes "Katzenjammer Kids" a show for everyone, big and little, young and old.

BOLSHEVIK FLEE IN GREAT PANIC.

Warsaw, September 30.—Polish troops have occupied the important city of Lida, capturing 4,000 Russian prisoners, the Polish general staff announces. The Bolshevik troops are said to be retreating in panic all along the northern end of the Polish battle front.

Lida is 125 miles northeast of Warsaw. It was formerly Russian field headquarters. It lies on the railway line that runs to Warsaw, Vilna, Petrograd and Kiev. It was at Lida that Leon Trotsky, the Soviet minister of war, was recently reported to have established the headquarters of a new Bolshevik army of 90,000 men, designed for use in a fall offensive against the Poles.
